Dear Mr Simmons

60015020 City & Guilds Level 2 Diploma for Sustainable Recycling Activities

The Worshipful Company of Environmental Cleaners is a highly relevant, modern Livery Company combining the traditions and mystique of The City with the changing needs of a major 21st Century Industry. The Objects for which the Company is hereby constituted are to encourage and foster the craft of Environmental Cleaning and kindred occupations by means of professional and social intercourse and the mutual exchange of information between those concerned with the craft and those occupations.

We promote the advancement of education and training within the Industry. As a City Livery closely associated with employers working in the waste and recycling sector, we value the following qualification because it allows an individual to demonstrate their ability to work as a sustainable recycling operative:

- 60015020 City & Guilds Level 2 Diploma for Sustainable Recycling Activities

A learner holding this qualification will be able to gain work in the recycling sector, collecting and sorting a range of recyclable materials using modern technology and machinery. They will be able to progress on to study supervisory and management qualifications in the recycling industry.

Holding this qualification demonstrates to the industry that the individual is able to work as an operative to a recognised national standard and is able to work safely as part of a team.
