## City & Guilds

601/0605/0 Level 3 Certificate in Medical Terminology

### OVERVIEW

#### **What does this qualification cover?**

The primary purpose of this qualification is to develop the knowledge and skills to prepare the learner to progress to the next level of learning within the field of medical administration. The knowledge they will gain through specific content in medical terminology can also lead into employment within this specialist area.

The following mandatory area that will be covered within this qualification is:

- Medical Terminology

This is a Framework qualification.

This qualification is mapped to the NHS Knowledge and Skills Framework.

#### **Who could take this qualification?**

This qualification is for learners who are looking to develop their basic knowledge and skills within medical administration, enabling them to progress to further learning in this subject specialist area. There are no other qualifications with this specific content available.

There are no specific entry requirements. This qualification is suitable for anyone from 16 years old or over.

### **What could this qualification lead to?**

This qualification can lead to the learner progressing onto the following qualifications:

- Level 3 Diploma in Medical Administration
- Level 3 Medical Administration Apprenticeship
- Level 5 in Primary Care Health Management
- Level 3 in Business and Administration

This qualification is recognised by AMSPAR (The Association of Medical Secretaries, Practice Managers, Administrators and Receptionists).

### **Who supports this qualification?**

This qualification is supported by Cambridge University Hospital, Cornwall College, Truro and Penwith College, Stella Maris.
