Qualification aim	Qualification levels and definition	Progression routes
These qualifications recognise the rapid growth of Social Media as a business tool and have been developed to support learners wishing to enter this new environment. There are three pathways to support specialist areas of study, Marketing, Technical and General, these cover aspects of Social Media which recognise the skills and knowledge required by a learner to be effective in their chosen career.	The Level 3 Certificates assess learners to ensure they understand Social Media as a competitive business tool and how this tool can be utilised proactively and effectively. The Certificates includes units to cover a range of knowledge and skills to fully understand the impact and power of social media and how to utilise this resource.	On completion learners will gain the skills and knowledge required to progress to further qualifications in Marketing, Business, IT Professional, Media or PR. In addition, we also have a number of Higher Level qualifications offered through the Institute of Leadership and Management (ILM). www.i-l-m.com
