- sustainability.

Additional Guidance if delivered as Portfolio based

Candidates will be expected to have carried out research on the range stated in each of the above learning outcomes.

Candidates will be required to submit a report of a minimum of 2000 words to a maximum of 3500 words based on their own organisation.
Not all of the range shown in each learning outcome will be relevant to their organisation.
The report must show that candidates have developed an understanding of organisational structures and the organisational environment in relation to the business sector in which their organisation sits.
Candidates must also explain the differences between their sector and the remaining two sectors.

Any necessary additional coverage could be generated through professional discussion.
