- 3.1 Work with families and others to identify the specific provision required to meet their needs
- 3.2 Support workers to identify a range of interventions, tools and resources available to meet the needs of families
- 3.3 Monitor workers practice in the provision of family support
- 3.4 Provide constructive feedback to workers on practice in provision of family support
- 3.5 Work with families and others to evaluate how their needs have been met by provision
- 3.6 Ensure that information that will be shared with others is clarified with families.

Outcome 4 Be able to support others to establish positive relationships with families

## **Assessment Criteria**

- 4.1 Explain the principles of establishing positive relationships with families
- 4.2 Support workers to use a solution focussed approach to address difficulties in establishing relationships with families
- 4.3 Support workers to share best practice in relation to establishing positive relationships with families.

Level: 6 Credit value: 8

UAN number: M/602/2380

#### **Unit aim**

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to lead service provision that supports disabled children and young people and their carers.

## **Learning outcomes**

There are **four** learning outcomes to this unit. The learner will:

- 1. Understand how legislation and policy influences provision for disabled children and young people and their carers
- 2. Understand the potential impact of disability on children and young people and their carers
- 3. Be able to lead child and young person centred provision
- 4. Be able to work in partnership with others to promote services for children and young people and their carers

## **Guided learning hours**

It is recommended that **57** hours should be allocated for this unit, although patterns of delivery are likely to vary.

## Details of the relationship between the unit and relevant national standards

This unit is linked to

CCLD414 Co-ordinate and support provision for disabled children and those with special educational needs.

## Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

### **Assessment**

This unit will be assessed by:

• A portfolio of evidence.

Learning Outcomes 2 and 3 must be assessed in the work setting.

Outcome 1

Understand how legislation and policy influences provision for disabled children and young people and their carers

## **Assessment Criteria**

- 1.1 Evaluate how emergent thinking and research have influenced legislation and policy over time
- 1.2 Evaluate how the development of legislation and policies has influenced current provision.

Outcome 2 Understand the potential impact of disability on children and young people and their carers

## **Assessment Criteria**

- 2.1 Research the prevalence and cause of disabilities in children and young people
- 2.2 Explain how disabilities may impact on children and young people
- 2.3 Explain how disabilities experienced by children and young people may impact on carers
- 2.4 Explain how early intervention is linked to positive outcomes for disabled children and young people and their carers.

Outcome 3 Be able to lead child and young person centred provision

## **Assessment Criteria**

- 3.1 Explain the features of child and young people centred provision
- 3.2 Promote an ethos that focuses on the child or young person rather than the disability
- 3.3 Lead work with children and young people to develop accessible information about service provision
- 3.4 Lead child and young person centred assessments that focus on strengths and abilities to identify the support required
- 3.5 Work with others to plan provision that meets the identified needs of children and young people
- 3.6 Implement provision that meets the identified needs of children and young people
- 3.7 Evaluate with children and young people and their carers how well the service provision meets their needs.

Outcome 4

Be able to work in partnership with others to promote services for children and young people and their carers

### **Assessment Criteria**

- 4.1 Analyse how specialist agencies and other professionals impact on wider opportunities for children and young people and their carers
- 4.2 Share information with others to promote the wellbeing and positive outcomes for children, young people and their carers
- 4.3 Work in partnership with others to obtain additional support for children, young people and their carers.

#### **Unit aim**

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to promote children's communication in an early years setting.

## **Learning outcomes**

There are **five** learning outcomes to this unit. The learner will:

- 1. Understand the impact of research on the development of children's communication skills in early years settings
- 2. Be able to facilitate the assessment of children's communication, language and literacy in early years settings
- 3. Be able to manage an environment in early years settings that promotes children's communication, language and literacy development
- 4. Be able to lead others in engagement with children that promotes communication, language and literacy development
- 5. Be able to manage programmes to support children's communication, language and literacy development in early years settings

## **Guided learning hours**

It is recommended that **54** hours should be allocated for this unit, although patterns of delivery are likely to vary.

#### Assessment

This unit will be assessed by:

• A portfolio of evidence.

Learning Outcomes 2, 3, 4 and 5 must be assessed in the work setting.

Outcome 1 Understand the impact of research on the

development of children's communication skills in

early years settings

### **Assessment Criteria**

- 1.1 Analyse how research has impacted on:
  - provision for children's communication, language and literacy development
  - workplace procedures and practices
  - own professional practice.

Outcome 2

Be able to facilitate the assessment of children's communication, language and literacy in early years settings

## **Assessment Criteria**

- 2.1 Identify the relevant curriculum and assessment frameworks against which children's communication, language and literacy development will be measured
- 2.2 Facilitate the assessment of children's communication, language and literacy skills
- 2.3 Involve others in the development and implementation of assessment processes
- 2.4 Support others to recognise and celebrate children's achievement
- 2.5 Support practitioners to recognise and refer issues and areas of concern.

Outcome 3

Be able to manage an environment in early years settings that promotes children's communication, language and literacy development

## **Assessment Criteria**

- 3.1 Evaluate the suitability of the environment and resources of early years settings to promote children's communication, language and literacy development
- 3.2 Make recommendations for improvements to the environment and resources of the early years setting to promote children's communication, language and literacy development
- 3.3 Support others to develop a stimulating learning environment to promote children's communication, language and literacy development.

Outcome 4 Be able to lead others in engagement with children

that promotes communication, language and

literacy development

### **Assessment Criteria**

- 4.1 Assess the quality of interactions with children
- 4.2 Support others to make improvements to practice.

Outcome 5

Be able to manage programmes to support children's communication, language and literacy development in early years settings

## **Assessment Criteria**

- 5.1 Ensure the planning and development of programmes maximises opportunities for children's communication, language and literacy development
- 5.2 Support others to implement programmes that develop children's communication, language and literacy
- 5.3 Support others to evaluate the effectiveness of programmes that develop children's communication, language and literacy
- 5.4 Support practitioners to involve children and their carers in evaluating programmes that develop children's communication, language and literacy
- 5.5 Make recommendations for changes to programmes to develop children's communication, language and literacy.

### **Unit aim**

The purpose of this unit is to assess the learners' knowledge understanding in skills required to undertake a research project within services for health and social care or children or young people.

### **Learning outcomes**

There are **four** learning outcomes to this unit. The learner will:

- 1. Be able to justify a topic for research within services for health and social care or children and young people
- 2. Understand how the components of research are used
- 3. Be able to conduct a research project within services for health and social care or children and young people
- 4. Be able to analyse research findings

Outcome 1 Be able to justify a topic for research within

services for health and social care or children and

young people

### **Assessment Criteria**

- 1.1 Identify the area for the research project
- 1.2 Develop the aims and objectives of the research project
- 1.3 Explain ethical considerations that apply to the area of the research project
- 1.4 Complete a literature review of chosen area of research.

Unit 168 Undertake a research project within services for health and social care or children and

young people

Outcome 2 Understand how the components of research are

used

### **Assessment Criteria**

- 2.1 Critically compare different types of research
- 2.2 Evaluate a range of methods that can be used to collect data
- 2.3 Identify a range of tools that can be used to analyse data
- 2.4 Explain the importance of validity and reliability of data used within research.

# Unit 168 Undertake a research project within services for health and social care or children and

- 3.2 Formulate a detailed plan for a research project
- 3.3 Select research methods for the project
- 3.4 Develop research questions to be used within project
- 3.5 Conduct the research using identified research methods
- 3.6 Record and collate data.

Unit 168 Undertake a research project within services

for health and social care or children and

young people

Outcome 4 Be able to analyse research findings

### **Assessment Criteria**

- 4.1 Use data analysis methods to analyse the data
- 4.2 Draw conclusions from findings
- 4.3 Reflect how own research findings substantiate initial literature review
- 4.4 Make recommendations related to area of research
- 4.5 Identify potential uses for the research findings within practice.

### **Unit aim**

This unit aims to support the learner to understand, plan, provide and review assistive technologies in order to best support the individual.

### Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

- 1. Understand the contribution that assistive technology can make to the lives of individuals
- 2. Be able to facilitate the use of assistive technology
- 3. Be able to develop others to facilitate the use of assistive technology
- 4. Be able to review the provision of assistive technology

### **Guided learning hours**

It is recommended that **31** hours should be allocated for this unit, although patterns of delivery are likely to vary.

### Details of the relationship between the unit and relevant national standards

This unit is linked to Sensory Services 4, 6, 7, 9, and 11.

### Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

### **Assessment**

This unit will be assessed by:

A portfolio of evidence.

Outcome 1

Understand the contribution that assistive technology can make to the lives of individuals

### **Assessment Criteria**

- 1.1 Investigate and report on the range and availability of assistive technology
- 1.2 Research how the use of assistive technology can result in positive outcomes for individuals.

### Outcome 2 Be able to facilitate the use of assistive technology

### **Assessment Criteria**

- 2.1 Research assistive technology solutions that meet identified needs
- 2.2 Explain how a range of assistive technology solutions can be adapted according to need and context
- 2.3 Assess the risks associated with the range of assistive technology solutions
- 2.4 Describe a range of assessment and referral processes which are used to secure assistive technology
- 2.5 Support the individual to secure the provision of appropriate assistive technology
- 2.6 Support the individual to use assistive technology.

Outcome 3 Be able to develop others to facilitate the use of assistive technology

### **Assessment Criteria**

- 3.1 Provide information to others about assistive technology
- 3.2 Provide guidance to others to facilitate the use of assistive technology.

Outcome 4 Be able to review the provision of assistive technology

### **Assessment Criteria**

- 4.1 Review the assessment and referral processes used to secure assistive technology
- 4.2 Review the outcomes of assistive technology support to individuals against identified needs.

### Notes for guidance

Assistive technology (AT) is defined as "any product or service designed to enable independence for disabled and older people" (Source: Kings Fund consultation, 2001). For example, this could include a range of human/animal/low or high tech devices to support the individual's daily living such as:

- human aids
- assistance dogs
- electrical/electronic devices
- low vision aids
- environmental aids

### Others could include:

- Other professionals
- Carers/family members
- Advocates
- Colleagues

### Unit 170 Explore models of disability

Level: 5 Credit value: 5

**UAN number:** K/601/5251

### **Unit aim**

This unit provides the knowledge and skills needed to understand models of disability, develop others' understanding and review how they impact on individuals and organisations.

### **Learning outcomes**

There are **three** learning outcomes to this unit. The learner will:

- 1. Understand the complexities of models of disability
- 2. Be able to review how models of disability underpin organisational practice
- 3. Develop others' awareness of models of disability

### **Guided learning hours**

It is recommended that **32** hours should be allocated for this unit, although patterns of delivery are likely to vary.

### Details of the relationship between the unit and relevant national standards

**Providing City & Guilds qualifications – a guide to centre and qualification approval** contains detailed information about the processes which must be followed and requirements which must be met for a centre to achieve 'approved centre' status, or to offer a particular qualification. Specifically, the document includes sections on:

- The centre and qualification approval process and forms
- Assessment, verification and examination roles at the centre
- Registration and certification of learners
- Non-compliance
- Complaints and appeals
- Equal opportunities
- Data protection
- Frequently asked questions.

**Ensuring quality** contains updates and good practice exemplars for City & Guilds assessment and policy issues. Specifically, the document contains information on:

- Management systems
- Maintaining records
- Assessment
- Internal verification and quality assurance
- External verification.

**Access to Assessment & Qualifications** provides full details of the arrangements that may be made to facilitate access to assessments and qualifications for learners who are eligible for adjustments in assessment.

The **centre homepage** section of the City & Guilds website also contains useful information such on such things as:

#### Walled Garden

Find out how to register and certificate learners on line

#### • Qualifications and Credit Framework (QCF)

Contains general guidance about the QCF and how qualifications will change, as well as information on the IT systems needed and FAQs

#### Events

Contains dates and information on the latest Centre events

#### Online assessment

Contains information on how to register for GOLA assessments.
