

Application for fast track qualification approval

Form FTAP 2
Edition 2.3

Fast track approval is a streamlined approval process for existing centres. Typically, it is used when

- a qualification is replaced or updated
- approval for an N/SVQ would automatically entitle the centre to offer the corresponding VRQ.

The qualification(s) listed below indicate those you may currently offer that would now entitle you to fast track approval for the new qualification(s) listed adjacent to them.

If you are unsure of your centre’s status regarding your eligibility for fast track approval, please contact your Quality Team in the Territory Office. Once completed, please send this form to your Quality Team.
