Dear Suzanne

**Ref: QS 201924 City & Guilds**

City & Guilds Level 2 NVQ Certificate in Wall and Floor Tiling (Construction)  
City & Guilds Level 2 NVQ Diploma in Trowel Occupations (Construction)  
City & Guilds Level 2 NVQ Diploma in Wood Occupations (Construction)  
City & Guilds Level 3 NVQ Diploma in Trowel Occupations (Construction)  
City & Guilds Level 3 NVQ Diploma in Wood Occupations (Construction)

The Construction Industry Training Board (CITB) work with industry to encourage training, which helps build a safe, professional and fully qualified workforce which supports the construction sector in gaining the right skills, in the right place, at the right time and therefore support the continued availability of the qualification listed above in England, Wales and Northern Ireland.

CITB supports City & Guilds proposal to submit the above vocational qualifications to the qualification regulatory authorities in England, Wales and Northern Ireland. This support is given on the basis of the information supplied.

If any changes are made to the proposed vocational qualifications, City & Guilds must seek approval from CITB for these changes. You are asked to provide written details of any changes that are made.

Following regulation, City & Guilds is asked to provide CITB with confirmation that the unit and qualification titles remain as agreed, any unit endorsements are applied and to inform CITB of the qualifications regulation details once they have been placed on the RQF by emailing [standards.qualifications@citb.co.uk](mailto:standards.qualifications@citb.co.uk).

If the vocational qualification submitted for regulation does not align with the QS application form, CITB will withdraw support for this qualification.

If the qualification is withdrawn at any point during the proceedings, City & Guilds is requested to inform CITB.

Yours sincerely

**Paul Lintott  
Standards Developer**
