Qualifications in Wood Trades

The FMB is the UK's largest trade association in the building industry, with national offices in England, Northern Ireland, Scotland and Wales, supported by additional regional offices. Established in 1941 to protect the interests of small and medium-sized building firms, the FMB is independent and non-profit-making, lobbying continuously for members' interests at both national and local levels.

The FMB is a source of knowledge, professional advice and support for its members, providing a range of modern and relevant business building services to save them time and money. The FMB also offers advice to consumers via its find a builder and check a member web pages.

As a Professional Association for the Construction Sector, we can confirm the following qualifications provide opportunities for learners to the gain skills and knowledge required to progress into further learning and possibly employment working with wood in the construction sector:

- 60080462 City & Guilds Level 1 Diploma in Carpentry and Joinery
- 60080474 City & Guilds Level 2 Diploma in Site Carpentry
- 60090674 City & Guilds Level 2 Extended Diploma in Site Carpentry
- 60080486 City & Guilds Level 2 Diploma in Bench Joinery
