To whom it may concern,

Qualifications in Painting, Decorating and Industrial Finishing

The Federation of Master Builders (FMB) is the UK's largest trade association in the building industry, with national offices in England, Northern Ireland, Scotland and Wales, supported by additional regional offices. Established in 1941 to protect the interests of small and medium-sized building firms, the FMB is independent and non-profit-making, lobbying continuously for members' interests at both national and local levels.

The FMB is a source of knowledge, professional advice and support for its members, providing a range of modern and relevant business building services to save them time and money. The FMB also offers advice to consumers via its find a builder and check a member web pages.

As a Professional Association for the Construction Sector, we can confirm the following qualifications provide opportunities for learners to gain the skills and knowledge required to progress into further learning and possibly employment in Painting and Decorating:

- 6008778X Level 1 Diploma in Painting and Decorating (6707-13)
- 60085848 Level 2 Diploma in Painting and Decorating (6707-23)
- 60092245 Level 2 Extended Diploma in Painting and Decorating (6707-50)
- 60085927 Level 3 Diploma in Painting and Decorating (6707-33)

These qualifications provide the skills and knowledge to gain an understanding of the Construction industry and potential to become a specialist tradesman working in painting and decorating.

We can confirm the following qualifications confirm occupational competency in industrial painting and decorative finishing, and are recognised by the industry:

- 60078649 Level 2 NVQ Diploma in Decorative Finishing and Industrial Painting Occupations (Construction) (6572)
- 60112359 Level 3 NVQ Diploma in Decorative Finishing- Painting & Decorating (Construction) (6572)

These qualifications allow workers to demonstrate competence and the ability to work on a construction site. They enable the learner to gain the relevant Construction Skills Certification Scheme (CSCS) site-access card. Learners may progress into employment on a construction site, building new homes and non-domestic buildings, or into maintenance and repair roles. Many

significant number also found the small and micro businesses that dominate employment in the construction industry.

We can confirm that we consent to our company name and logo being made publicly available on City & Guilds website.

Your sincerely,

A handwritten signature in blue ink, appearing to read 'Hayley Ellis', is positioned below the closing of the letter.

Hayley Ellis

Head of Training, FMB
