601/3598/0 City & Guilds Level 3 Diploma in Stonemasonry

Who is this qualification for?

This qualification is for people who want to work as a stonemason in the construction industry. You will already have qualifications in stonemasonry, or have significant experience working as a stonemason in the industry, and you will be seeking to gain specialist stonemasonry skills and knowledge.

This qualification is suitable for anyone from 16 years old or over.

What does this qualification cover?

This qualification covers a very wide range of skills and knowledge required for preparing to work in the construction industry.

The following topics are covered within this qualification:

- health, safety and welfare in construction
- principles of organising, planning and pricing construction work
- setting out and templet making for complex stonemasonry components
- working complex stonemasonry components
- fixing complex stonemasonry components
- conservation and restoration techniques for architectural heritage

What could this qualification lead to?

This qualification could lead to a job as a stonemason, working for a house-building company, a property development company, or working as part of a team repairing and refurbishing buildings.

Will this qualification lead to further learning?

You could progress onto any of the following qualifications:

- Level 4 Higher Professional Diploma in Construction

Why choose this qualification over other similar qualifications?

You are likely to choose this qualification if you want to develop the skills and knowledge to work as a stonemason involving complex components.

Who supports this qualification?

This qualification is supported by the Federation of Master Builders.

THIS IS A TECHNICAL LEVEL QUALIFICATION AT LEVEL 3.
