

Unit 202: Level 2 Principles of Building Construction, Information and Communication

In response to feedback from our valued centres and in line with our policy on continual improvement, we have reviewed the assessments for the 'Principles' units at levels 1-3. This update relates specifically to the Level 2 Principles unit 202.

The assessments have been updated in accordance with best practice assessment principles to ensure they are reliable, accessible and valid. The updated level 2 e-volve assessments are now available (February 2015). Levels 1 and 3 will be made available shortly.

You do not have to do anything. These updates will change automatically on our e-volve platform. This update is for your information only.

Level 2 202 Principles of Building Construction Information and Communication is now available and is a unit in the following qualifications:
