WHAT COULD THIS QUALIFICATION LEAD TO?

Will the qualification lead to employment, and if so, in which job role and at what level?

Achievement of this qualification demonstrates to an employer that you have the necessary technical skills and knowledge they are looking for when recruiting for a painter and decorator. This may be working for a house-building company, a property development company, or working as part of a small business repairing and refurbishing buildings.

Why choose this qualification over similar qualifications?

There are no other qualifications within this suite at this level. However, City & Guilds offers different technical certificate qualifications at Level 2 covering the skills and knowledge needed to work in other areas of the construction industry such as bricklaying, site carpentry, architectural joinery, and plastering.

Will the qualification lead to further learning?

This qualification will allow you to progress into employment or onto the Level 3 Advanced Technical Diploma in Painting and Decorating (450). This will allow you to enhance the skills and knowledge that you have gained at level two, to progress into higher job roles such as an advanced craft painter and decorator.

This qualification could also lead you to an apprenticeship in construction. There are a number of new and exciting apprenticeships currently being developed in construction, including painting and decorating, so you could progress to be an apprentice working as a painter and decorator.
