

City & Guilds 6571 Level 2 & 3 NVQ Diplomas in Wood Occupations

June 2015 update

This update contains information regarding:

- Level 2 amendments and new qualification/pathway information
- Level 3 amendments and new pathway information
- Qualification documentation
- Funding information
- Apprenticeship framework information

The Level 2 & 3 NVQ Diplomas in Wood Occupations (Construction) have been amended to incorporate some changes to pathway titles and their structures. As a result, the level 2 qualification has been replaced by a new qualification, with a new QAN and City & Guilds complex numbers on the walled garden/catalogue. The level 3 qualification retains its QAN, but has new City & Guilds complex numbers. The table below shows the old and new qualifications, along with their city & Guilds numbers.
