

## **Unit 101: Level 1 Principles of Building Construction, Information and Communication and Unit 301: Level 3 Principles of Organising, Planning and Pricing Construction Work**

In response to feedback from our valued centres and in line with our policy on continual improvement, we have reviewed the assessments for the 'Principles' units levels 1-3. Level 2 has been updated and is now available, this update relates specifically to the level 1 and level 3 Principles units.

The assessments have been updated in accordance with best practice assessment principles to ensure they are reliable, accessible and valid. The updated level 1 and level 3 e-volve assessments are now available (March 2015).

You do not have to do anything. These updates will change automatically on our e-volve platform. This update is for your information only.
