60110016 Level 3 Diploma in Plastering

OVERVIEW

For those working towards a career as a trades person working with wood in the construction industry, this qualification is ideal for enhancing and specialising your skills and knowledge of plastering. You will learn about the industry, including the principles of constructing buildings, and about the types of information used in building design and construction. You will learn about health, safety and environmental issues faced on construction sites, and how to communicate with others on the job, including supervisory skills such as planning, organising and pricing work.

You will also learn knowledge and practical skills specific to specialist plastering, including how to:

- Run in-situ moulds
- Applying plastering materials to detailed interiors
- Applying plastering materials to detailed exteriors
- Producing reverse moulds for detailed fibrous plaster and cement casting
- Producing and fixing detailed fibrous plaster and cement casts

This is a Framework qualification that consists of seven units of assessment.

There are no entry requirements for this qualification – it is available to anyone over the age of 16 that is interested in specialising in plastering. However, you are likely to hold previous qualifications, such as the Level 2 Diploma in Plastering, or have significant experience working as a plasterer in the industry. You will be seeking to consolidate your skills and knowledge of the trade in order to progress to become a specialist in plastering.

WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification helps prepare you for work in the construction industry, with a specific focus on plastering. You are likely to progress on to study the Level 3 NVQ, either as part of an apprenticeship, or as a standalone qualification.

- Level 3 NVQ Diploma in Plastering (Construction)

WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by hundreds of colleges in the UK. We are grateful to have specific support from the following City & Guilds Construction centres:

Bridgwater College
Derby College

South & City College Birmingham

We are also grateful to have support for this qualification from the Federation of Master Builders.
