## **601/3786/1 City & Guilds Level 2 Diploma in Dry Lining**

### **Who is this qualification for?**

This qualification is for you if you wish to work as a dry liner in the construction industry. Dry lining is the fitting of plaster board or other board material to finish walls and ceilings, in place of the more traditional plastering. Many modern domestic and commercial properties will be finished with dry lining instead of plaster, and this qualification will provide you with the skills needed to work as a dry liner in the industry. This qualification is suitable for you if you are 16 years old or over.

### **What does this qualification cover?**

This qualification covers a wide range of skills and knowledge required for preparing to work in the construction industry.

The following topics are covered within this qualification:

- health, safety and welfare in construction
- principles of building construction
- communicating information
- install suspended ceiling systems
- install partitions
- install wall linings and encasement systems
- fix sheet materials using direct bond method
- apply taping and jointing systems to plasterboard
- understand specialist systems for dry lining and interiors
- apply finishing plaster to plasterboard
- apply and finish sprayed plasters to plasterboard.

### **What could this qualification lead to?**

This qualification could lead to a job as a dry liner working for a house-building company, a property development company, or work as part of a small business repairing and refurbishing buildings.

### **Will this qualification lead to further learning?**

You could progress onto any of the following qualifications:

- Level 2 NVQ Diploma in Plastering (Construction)
- Level 3 NVQ Diploma in Plastering (Construction)

- Level 2 Certificate in Construction Operations - General Construction
- Level 2 Diploma in Plastering.

### **Why choose this qualification over other similar qualifications?**

You are likely to choose this qualification if you want to work as a dry liner in the construction industry.

### **Who supports this qualification?**

This qualification is supported by the Federation of Master Builders.

### **THIS IS A SUBSTANTIAL VOCATIONAL QUALIFICATION AT LEVEL 2.**
