To whom it may concern,

Qualifications in Masonry

The FMB is the UK's largest trade association in the building industry, with national offices in England, Northern Ireland, Scotland and Wales, supported by additional regional offices. Established in 1941 to protect the interests of small and medium-sized building firms, the FMB is independent and non-profit-making, lobbying continuously for members' interests at both national and local levels.

The FMB is a source of knowledge, professional advice and support for its members, providing a range of modern and relevant business building services to save them time and money. The FMB also offers advice to consumers via its find a builder and check a member web pages.

As a Professional Association for the Construction Sector, we can confirm the following qualifications provide opportunities for learners to the gain skills and knowledge required to progress into further learning and possibly employment working in masonry in the construction sector:

- 601/3613/3 City & Guilds Level 1 Diploma in Stonemasonry
- 601/3612/1 City & Guilds Level 2 Diploma in Stonemasonry
- 601/3191/3 City & Guilds Level 2 Diploma in Craft Masonry
- 601/3598/0 City & Guilds Level 3 Diploma in Stone Masonry

These qualifications provide the skills and knowledge to gain an understanding of the Construction industry and potential to become a specialist tradesman working in masonry.

We can confirm that we consent to our company name and logo being made publicly available on City & Guilds website.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Hayley Ellis', is positioned below the 'Yours sincerely,' text.
