City & Guilds Level 3 Advanced Technical Extended Diploma in Constructing the Built Environment (Civil Engineering) (1080)

The Chartered Institute of Building (CIOB) is a professional body for the construction industry representing 46,000 construction professionals worldwide. The CIOB was founded in 1834. Our members work worldwide in the development, conservation and improvement of the built environment.

We support the changes City & Guilds are making to these qualifications, and we believe that these qualifications offer the following benefits:

- Provides the industry with high quality young entrants
- Provide young people with specialist knowledge and applied learning to equip young people with employability skills
- Improves the image of the industry in schools and colleges and give an awareness of the wide range of professional careers and progression opportunities that the industry offers
- Provide access to higher education and professional membership

Please do not hesitate to contact me if you require further information

Yours sincerely,

Rosalind Thorpe CMgr MCMl
