RE:- 600/0787/4 Level 3 Diploma in Creative Techniques

Dear Diane

I have looked through the 600/0787/4 Level 3 Diploma in Creative Techniques.  
I offer my support as an employer within the Blacksmithing sector as I feel the qualification would be suitable for a young person between the ages of 16-19 studying full time and would give that young person a strong advantage when applying for a job or progressing onto an apprenticeship.

Yours sincerely

Steve Rook
