Dear Sir/Madam,

I provide my support as an employer within Interior industry for the City & Guilds Level 3 Diploma in Creative Techniques (600/0787/4). As an employer I feel that this qualification provides the necessary skills to prepare a young person between the ages of 16-19 and would give that young person an advantage when applying for a job within the Interior industry or progressing onto an Apprenticeship.

,

Yours sincerely

Neil smith

Manager
