2014-01-28

Dear Sir/Madam,

I provide my support as an employer within Interiors, as I feel the following qualification would be suitable for a young person between the ages of 16-19 studying full time and would give that young person an advantage when applying for a job or progressing onto an apprenticeship.  
600/0787/4 Level 3 Diploma in Creative Techniques

Yours sincerely  
Maria Smith
