Dear Diane

As an employer for Minnie Bee's Floral Design, we feel the following qualifications are suitable for someone wanting to enter into the Floral Design Industry.

- 600/4515/2 – Level 2 Certificate in Floral Design
- 600/4514/0 – Level 3 Certificate in Floral Design

These qualifications provide the skills and knowledge to gain an understanding of the floral industry.

These qualifications can lead to employment such as:

- Floral designer
- Florist

We consent to our name and logo being publically available on City & Guilds website.

As a young Ambassador for a national company UK Skills. I promote qualifications in all skilled areas. I think it's critical we keep our basic certificates running in floristry. These are the foundation and the stepping stones for any good florist wanting to enter into the industry.

Many Thanks for your time.

Yours Sincerely

Kirsty Berridge

Managing director, Minnie Bee's Floral Design
