Dear Diane

As an employer for Chris Hutchings Ltd, I feel the following qualifications prepare a learner wanting to enter into the Interior Design Industry.

- 601/2071/X - Level 2 Certificate in Creative Techniques - Interiors
- 601/2074/5 - Level 2 Diploma in Creative Techniques - Interiors

These qualifications provide the skills and knowledge to gain an understanding of Interior Design

These qualifications can lead to employment as:

- Assistant in an interior design business able to make up a range of simple designs
- Assistant to an interior designer able to prepare materials and calculate quantities required

We consent to our name and logo being publicly available on City & Guilds website

Yours sincerely

Neil Smith
