Dear Sue,

As the nominated partner for NLx Cakes I feel the following qualifications are suitable for someone wanting to enter into the Cake Decorating Industry.

- 600/7425/5- Level 2 Certificate in Sugarcraft.
- 600/7618/5- Level 2 Diploma in Sugarcraft

These qualifications provided me with the skills and knowledge to gain an understanding of the Cake Decorating industry and I believe it will with others too. I also strongly believe that these qualifications can lead to employment as:

- Assistant to the designer in a specialist cake shop of bespoke cakes
- Celebration cake producer

I consent to my name and logo being publically available on City & Guilds website
