

DIGITAL

QUALIFICATION:

5220 Level 3

City & Guilds Level 3 Advanced Technical Certificate in Digital Technologies

FAST FACTS

Three quarters of employers in the digital sector believe their industry is facing a worrying skills gap. And nearly half (47%) say the education system isn't delivering the skilled employees their business needs.

The skills gap is largest in the UK, Germany and Italy - which together will account for 60% of all digital vacancies in Europe by 2020.

5220-30
Advanced Technical
Certificate in Digital
Technologies

**KEY
STAGE** **5**
16-19 YEARS OLD
