1.9.15

Dear Mark

We are an employer who employs over 71,000 employees in the IT sector, of which over 20,000 work in engineering functions.

We would like to support the following City & Guilds qualification as relevant and significant to the sector.

- City & Guilds Level 3 Advanced Technical Certificate in Digital Technologies.

The qualification has been developed with the needs of the industry in mind and therefore the learner would be expected to achieve all the mandatory subject areas such as:-

- Project management
- Information security
- Networking fundamentals
- Digital business communication
- Software development fundamentals
- Collection and analysis of data
- Enterprise technologies

We feel that once the learner has gained this qualification which covers the skills and knowledge needed for the Digital Industry they could take the position as a:

- Network Administrator
- Systems Administrator

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

A handwritten signature in black ink, appearing to read "Alison Vincent".

Dr Alison Vincent  
Chief Technology Officer  
Cisco UK & Ireland
