Dear Mark

We are an employer who employs 20 people works in multiple sectors including Retail, Housing and Professional Services

We/I would like to support the following City & Guilds qualification as relevant and significant to the sector.

- City & Guilds Level 3 Advanced Technical Certificate in Digital Technologies

The qualification has been developed with the needs of the industry/sector in mind and therefore the learner would be expected to achieve all the mandatory subject areas such as:-

- Project management
- Information security
- Networking fundamentals
- Digital business communication
- Software development fundamentals
- Collection and analysis of data
- Enterprise technologies

We feel that once the learner has gained this qualification which covers the skills and knowledge needed for the Digital Industry they could take the position as a:

- Network Administrator
- Systems Administrator

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.
