

NOTES

Drawing Scale = 1:50

The whole floor has a suspended ceiling 3500mm from floor level – apart from G28 (Lecture Theatre 1) which occupies 2 floors

The suspended ceiling is 600mm below the solid reinforced concrete ceiling.

Cable & pipework access between floors is via a 600mm x 600mm shaft, located in the NE corner of the building [in the POP / Plant room]

Data terminals are not identified on the plan
