To Ken Gaines

I provide my support as a professional employer within the Information and Communication Technology sector, as I feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship.

We Autodesk support the inclusion of:

- City & Guilds Level 3 iTQ Diploma for IT users
- City & Guilds Level 3 Advanced Diploma for Software Developers
- City & Guilds Level 3 Diploma in ICT Systems Support
- City & Guilds Level 3 Diploma for ICT Systems and Principles for IT Professionals

for the DfE 2016 performance tables in the Technical Level category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites

Yours sincerely
