Dear Ken Gaines

As part of our objective to advance the IT industry, CompTIA works to develop the skills of the IT workforce.

We support the submission of these qualifications, as City and Guilds continue to include industry recognised certification within their qualifications to support the needs of learners seeking employment in the IT sector.

We, CompTIA, support the inclusion of:

- City & Guilds Level 3 iTQ Diploma for IT Users
- City & Guilds Level 3 Diploma in ICT Systems Support
- City & Guilds Level 3 Diploma for ICT Systems and Principles for IT Professionals

for the DfE 2016 Performance Tables in the Technical Level category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely

Graham Hunter
