Optimity

Dear Mr Gaines

RE: DfE 2016 Performance Tables in the Technical Level Category

I provide my support as an employer within the Information and Communication Technology sector, as I feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship.

Optimity support the inclusion of the following for the DfE 2016 performance tables in the Technical Level category:

- City & Guilds Level 3 iTQ Diploma for IT users
- City & Guilds Level 3 Advanced Diploma for Software Developers
- City & Guilds Level 3 Diploma in ICT Systems Support
- City & Guilds Level 3 Diploma for ICT Systems and Principles for IT Professionals

I confirm that Optimity consents to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely

Anthony Impey
