

DIGITAL HOME TECHNOLOGY INTEGRATORS **CENTRES' INFORMATION**

City & 
Guilds

City & Guilds qualifications for Digital Home Technology Integrators are designed to enhance the skills of technicians who have some knowledge in electronic and digital home systems.

They are aimed at those who want to, or already, install and integrate customer digital equipment in the home.

They will benefit learners who already work in IT system support, Electronic Engineering and Telecommunications.

QUALIFICATION STRUCTURE

Learners can either specialise in one area, add others as their interest grows or, follow the whole syllabus.

Certificate in Digital Home Technology Integration (7575-01) - 16 credits

- Customer Service for Digital Home Integrators (7 credits)
- Digital Home Integrator (9 credits) **or**
- CompTIA DHTI+ (9 credits).

Award for Security and Surveillance Integrators (11 credits)

- Customer Service for Digital Home Integrators
- Control and Security Systems for the Digital Home Technology Integrator (4 credits).

Award for Audio/Video and Networking Integrators (11 credits)

- Customer Service for Digital Home Integrators
- Audio Video and Networking (4 credits).

Award for Networking, Telephony and VoIP Integrator (11 credits)

- Customer Service for Digital Home Integrators
- Networking, telephony and VoIP (4 credits).

HOW IS THE QUALIFICATION DELIVERED AND ASSESSED?

Learners should be taught in a classroom environment and assessed through a set of City & Guilds assignments or via a CompTIA DHTI+ test

If they are following the whole course, they can be assessed by either CompTIA's DHTI+ test or City & Guilds assignment. If they are taking the course, then they will be assessed through City & Guilds assignments.

PROGRESSION

Qualifications that your learners may wish to progress to are:

- **Advanced Diploma for IT Professionals (7266-25)**
- **Advanced Diploma for IT Systems Support Professionals (7266-27).**

Alternatively, they may also be interested in:

- **Diploma for ICT Practitioners (e-Quals07)**
- **Certificate in Communications Cabling.**
