About this document
This assignment comprises all of the assessment for Level 1 Working with desktop publishing applications (7266/7267-008).

Health and safety
You are responsible for maintaining the safety of others as well as your own. You are asked to work safely at all times.

You will not be allowed to continue with an assignment if you compromise any of the Health and Safety requirements.

Time allowance
The recommended time allowance for this assignment is one and a half hours.
Time allowance: One and a half hours

Assignment set up:

This assignment is made up of two tasks

- Task A - Setting up a publication
- Task B - Editing and printing a publication

Scenario

You work as a marketing assistant in a small activity company which provides activities such as paintball. You have been asked by your supervisor to produce a short newsletter to send out to new members.

Read all of the instructions carefully and complete the tasks in the order given.

Task A - Setting up a publication

1. Make a folder called DTP008 in your user area or removable media.
   Within this folder create 3 sub-folders and name these:
   
   - Newsletter
   - Images
   - Text

2. Open your desktop publishing application software and create a new publication.
   Set up the page to A4 landscape orientation, and set the margins as:
   
   Top & Bottom – 1cm
   Left & Right – 1.5cm

   Save the publication with the name Blank Layout to the Newsletter sub-folder.

   Close the publication.
Move the picture files that you have been given into the **Images** sub-folder.

Move the text files that you have been given into the **Text** sub-folder.

Open the **Blank Layout** file you created earlier and split the page into two equal columns.

Create a text box, 2cm high, across the full width of the left hand column.

Using Arial size 36 point; insert the title **Paintball Newsletter**.

Change the colour of the text to red and make it bold.

Centre the text within the text box.

Change the fill colour of the text box to dark yellow.

Create a black border around the text box with a line weight of 4 point.

Insert a text box 1 cm below the heading, the full width of the left hand column.

This text box should be around 9.5 cm high.

Open the text file **Paintball** and copy and paste the text into the text box you have just created.

Format the text as Arial at 14 point, fully justified.

Adjust your text box if required to ensure that all text is visible.

Copy the image named **Paint1** and paste it into the bottom of the left hand column.

Resize the image to 7cm wide, maintaining the aspect ratio.

Centre the image horizontally within the column.

Save your publication as **NewsLetterv1** to your **Newsletter** folder.

Resize the width of text box containing the text **Paintball Newsletter** so that it is the full width of both columns.

In the right hand column insert a text box 1cm below the heading which is around 9.5 cm in height.

Open the text file **History** and copy and paste the text into the text box you have just created. Format the text as Arial at 14 point, fully justified.

Format the subheading **History** as bold and leave one clear line space below it.
Task B - Editing and printing a publication

1. In the left hand column of page 2 create a text box the width of the column.
   Type the following into the text box formatting it as Arial 14 point.
   
   ‘Types of Games
   Capture the Flag - A team must take the flag from the designated flag station. The flag must then be ‘hung’ at your own flag station or the enemy flag station, respectively.
   Elimination - A team or individual player must eliminate all of the opposing team.
   King of the Hill - two or more teams attempt to capture and hold one or more bases. The game is won by the team that holds the base(s) for the longest amount of time.’

2. Move the text box down 3 cm and make a new text box immediately above it.

3. Move the text Types of Games into the new text box and format the text to Arial 36 point bold, red, and centred.

4. Format the box with a yellow fill and a 2 point black border. Resize the text box to 2cm high.
Format all of the text starting ‘Capture the Flag’ as a bulleted list.

Copy the text box from the top of the left hand column and paste it into the right hand column.

Change the text to read Rules of Play.

Create a text box that fills the rest of the right hand column.

Open the text file Common Rules of Play and copy the text from the file and paste into the new text box.

Format the text to Arial, 12 point italic and fully justify.

Split the remaining space (Page 2, left hand column) into four roughly equal boxes.

Insert the image Mask into the top left hand box and resize to fit.

Insert the image Paint3 into the bottom right hand box and resize to fit.

Create black 2 point border around each image.

Fill the remaining two boxes (bottom left and top right) with yellow.

Create a black 2-point border around the two boxes.

Copy the red flag from page one and paste into each yellow box.

Select all of the elements and group them to form one object.

Return to page 1 and insert a text box between the flags.

In the text box insert your name, today’s date and printout 1 using 10 point Arial. Centre the text.

Save the document as Newsletterv3.

Print the document on one sheet of paper (double sided) using either duplex or re-insertion.

Print the document in a portable document format (eg PDF) with the name Newsletter in the Newsletter sub-folder.

Close the document. Exit the desktop publishing application.
When you have finished working:

- Sign each document above your name and label all removable storage media with your name.
- Hand all paperwork and removable storage media to your assessor.

If the assignment is taken over more than one period, all paperwork and removable media must be returned to the test supervisor at the end of each sitting.
