Assignment A
About City & Guilds
City & Guilds is the UK’s leading provider of vocational qualifications, offering over 500 awards across a wide range of industries, and progressing from entry level to the highest levels of professional achievement. With over 8500 centres in 100 countries, City & Guilds is recognised by employers worldwide for providing qualifications that offer proof of the skills they need to get the job done.

City & Guilds Group
The City & Guilds Group includes City & Guilds, ILM (the Institute of Leadership & Management) which provides management qualifications, learning materials and membership services, NPTC which offers land-based qualifications and membership services, and HAB (the Hospitality Awarding Body). City & Guilds also manages the Engineering Council Examinations on behalf of the Engineering Council.

Equal opportunities
City & Guilds fully supports the principle of equal opportunities and we are committed to satisfying this principle in all our activities and published material. A copy of our equal opportunities policy statement is available on the City & Guilds website.

Assignment A
Introduction – Information for Candidates

About this document
This assignment comprises all of the assessment for Level 3 Designing and creating advanced layouts using desktop publishing software (7266/7267-044).

Health and safety
You are responsible for maintaining the safety of others as well as your own. You are asked to work safely at all times.

You will not be allowed to continue with an assignment if you compromise any of the Health and Safety requirements.

Time allowance
The recommended time allowance for this assignment is two and a half hours.
Level 3 Designing and creating advanced layouts using desktop publishing software (7266/7267-044)
Candidate instructions

Time allowance: Two and a half hours

The assignment:

This assignment is made up of four tasks

- Task A - Prepare folders and logos for publication
- Task B - Prepare page 1 of a multi page document
- Task C - Prepare page 2 of a multi page document
- Task D - Proof read and check final document

Scenario

You work in the publicity department for a small tour company specialising in city tours. You have been asked by your manager to prepare a brochure that can be used for a general audience circulation to promote the London Tours.

Use all available tools at your disposal (including the creation of hand drawn notes if required) to create the brochure. After completion proof read and check your final publication prior to it being sent to print.

Read all of the instructions carefully and complete the tasks in the order given.

Continued over...
Task A – Prepare folders and logos for publication

1. Create a folder in your user area or on removable media named London. Create a sub-folder inside the London folder named Output.

Copy all files supplied by your tutor to the London folder.

2. Create a logo, similar to that shown below, using the file RedBus.jpg adding the text around the image in a red font using a suitable font size.

![Logo Image]

Save your image using a suitable file format for high quality publication (lossless) as LondonLogo to the folder Output.

Task B – Prepare page 1 of a multi page document

1. Open a DTP application to create a brochure to be supplied to a general audience who may be visiting London for the first time.

2. Open a new blank document and set the paper size to A4, landscape orientation to be used as a two page tri-fold brochure.

Set the column spacing as 0.5 cm and all margins to 1 cm.

3. Insert a watermark on Page 1 only, using the LondonLogo you created in Task A. Change the colour to greyscale and stretch the logo fully between the margins.

4. At the top of the middle column of Page 1 insert the image 040LONDONIMAGE2007 provided.

Adjust the width of the image to fit to the column margins maintaining the aspect ratio.

Continued over...
At the bottom of the right hand column of Page 1 insert the image **015LONDONIMAGE2007** provided, centrally in the column.

Adjust the size of the image to be 8.5 cm high maintaining aspect ratio.

In the left hand column of Page 1 insert a text box, open the supplied **London on a Budget.rtf** and insert all of the data into it.

Based on the file that you have just inserted, select a suitable image from those supplied, and using graphics editing software enhance the appearance of that image.

Save the image as **ColumnImage** in the **Output** folder.

Insert the modified image into the bottom of the left hand column to fit to the width of the column and maintaining aspect ratio.

In the middle column of Page 1 insert the text from the text file name **Highlights.txt**.

In the right hand column of Page 1 insert a text box to fill all the remaining space.

Save your document as **BrochureDraft1** in your **Output** folder.

**Task C - Prepare page 2 of a multi page document**

On Page 2 in the left hand column insert a text box to completely fill the column space.

Link the text box on the right hand column of Page 1 to the text box just created on Page 2 to enable text to flow between the text boxes.

Insert the text supplied in the file **LondonFacts.rtf** into the text box in the right hand column of Page 1, so that it flows into the text box created above on Page 2.

In the middle column of Page 2 insert the image **LondonMap.bmp**. Rotate the image 90° and stretch it to completely fill the column between the margins.

In a suitable location on the map insert a text box containing the following information:

```
City Sights
Gosford Street
London
EC1
0181 555 751
```

Insert a telephone symbol next to the telephone number.

Group the map and the text box together.

Continued over...
6 In the right hand column of Page 2 insert the image LondonLogo centrally and across the full column width.

7 Above the LondonLogo image, use graphical text across the column width that says:

City Sights

8 At the bottom of the right hand column of Page 2 insert a text box with the following centralised text:

Contact us:

☎ 0181 555 751
or
✉ enquiries@citysights.coz

9 Save your document as BrochureDraft2 in the Output folder.

Task D – Proof read and check final document

1 Proof read your document and correct any grammatical errors found.

2 Review your document and adjust any font types, sizes or colours to enhance the presentation including any headings.

   Remove any unnecessary hyphenation to improve the readability of the final brochure.

3 Insert a footer, right aligned, with your name and today’s date.

4 Save your document as BrochureFinal in the Output folder.

When you have finished working:

- Sign each document above your name and label all removable storage media with your name.
- Hand all paperwork and removable storage media to your assessor.

If the assignment is taken over more than one period, all paperwork and removable media must be returned to the test supervisor at the end of each sitting.

End of assignment
