About City & Guilds

City & Guilds is the UK's leading provider of vocational qualifications, offering over 500 awards across a wide range of industries, and progressing from entry level to the highest levels of professional achievement. With over 8500 centres in 100 countries, City & Guilds is recognised by employers worldwide for providing qualifications that offer proof of the skills they need to get the job done.

City & Guilds Group

The City & Guilds Group includes City & Guilds, ILM (the Institute of Leadership & Management) which provides management qualifications, learning materials and membership services, NPTC which offers land-based qualifications and membership services, and HAB (the Hospitality Awarding Body). City & Guilds also manages the Engineering Council Examinations on behalf of the Engineering Council.

Equal opportunities

City & Guilds fully supports the principle of equal opportunities and we are committed to satisfying this principle in all our activities and published material. A copy of our equal opportunities policy statement is available on the City & Guilds website.

Level 1 Creating simple web pages (7266/7267-009)

Assignment A

Introduction – Information for Candidates

About this document

This assignment comprises all of the assessment for Level 1 Creating simple web pages (7266/7267-009). This assignment can be used as evidence of achievement of 7574-128 Website software.

Health and safety

You are responsible for maintaining the safety of others as well as your own. You are asked to work safely at all times.

You will **not** be allowed to continue with an assignment if you compromise any of the Health and Safety requirements.

Time allowance

The recommended time allowance for this assignment is **one and a half hours**.

Level 1 Creating simple web pages (7266/7267-009)

Candidate instructions

Time allowance: One and a half hours

The assignment:

This assignment is made up of **three** tasks

- Task A - Creating a webpage
- Task B - Inserting images and text to a webpage
- Task C - Adding links to a webpage

Scenario

You work for the local Health Club who has asked you to create a web page promoting healthy eating. You need to create a web page highlighting the importance of healthy eating in today's busy world.

Your aim is to promote the benefits of eating healthy food in line with the government guidelines that recommend eating five portions of fruit and vegetables a day. The source code and images have been provided for you.

Read all of the instructions carefully and complete the tasks in the order given.

Task A – Creating a webpage

- 1 Create a folder in your user area or removable media and name it **healthy**.
- 2 Copy all files supplied by your tutor to the folder you have just created.
- 3 Using a suitable application create a suitably sized blank page.
- 4 Change the page title to **Healthy Eating**.
- 5 For the next task use a suitably sized Sans Serif font for all text on a light coloured background.

Set the text colour for headings as a dark blue and all other text with a suitable contrasting colour.

Continued over ...

Task B – Inserting images and text to a webpage

- 1 Insert the heading **Healthy Eating** and align to centre of the page.

Ensure the heading is suitably sized. Set the heading as an anchor/bookmark with the name **Top**.

- 2 Insert the supplied image **fruitbowl.jpg** below the heading centre aligned.

Resize the image to a height of 200 x 267 wide (pixels).

- 3 Open the supplied file **fruitveg.txt** Insert the introduction paragraph, along with its title, in a suitable position below the **fruitbowl** image and centre align it.

- 4 Save the file with filename **index.html** to your work area/removable media.

Task C – Adding links to a webpage

- 1 From the file **fruitveg.txt** select and add **five** further paragraphs to your web page leaving space between each paragraph to present a balanced layout.

Below each of the paragraphs insert a suitable image from those provided.

All text and images to be centre aligned.

- 2 Add the text **return to top** below your added paragraphs and centre align it.

Link the text **return to top** to the main heading **Healthy Eating** bookmark/anchor.

- 3 Below the text **return to top** insert the text **Click here to contact us** and centre align it.

Add an e-mail link to the words **Click here** using the e-mail address:
info@cityandguilds.coz.

- 4 At the bottom of your web page add your name and today's date left aligned in a smaller font size.

- 5 Preview your document using an Internet browser and test all links work correctly.

- 6 Print out **one** copy of the source code.

Underline all links, bookmarks/anchor/e-mail.

Label the printout as **Printout 1**.

Continued over ...

- 7 Resave your web page with the same filename and close the browser and all open programmes.

When you have finished working:

- Sign each document above your name and label all removable storage media with your name.
- Hand all paperwork and removable storage media to your assessor.

If the assignment is taken over more than one period, all paperwork and removable media must be returned to the test supervisor at the end of each sitting.

End of assignment
