

# Level 2 Data management software (DMS 7574-218)

ITQ (QCF)

**Assignment guide for Candidates**

Assignment B

## **About City & Guilds**

City & Guilds is the UK's leading provider of vocational qualifications, offering over 500 awards across a wide range of industries, and progressing from entry level to the highest levels of professional achievement. With over 8500 centres in 100 countries, City & Guilds is recognised by employers worldwide for providing qualifications that offer proof of the skills they need to get the job done.

## **City & Guilds Group**

The City & Guilds Group includes City & Guilds, ILM (the Institute of Leadership & Management) which provides management qualifications, learning materials and membership services, NPTC which offers land-based qualifications and membership services, and HAB (the Hospitality Awarding Body). City & Guilds also manages the Engineering Council Examinations on behalf of the Engineering Council.

## **Equal opportunities**

City & Guilds fully supports the principle of equal opportunities and we are committed to satisfying this principle in all our activities and published material. A copy of our equal opportunities policy statement is available on the City & Guilds website.

## **Copyright**

The content of this document is, unless otherwise indicated, © The City and Guilds of London Institute 2010 and may not be copied, reproduced or distributed without prior written consent.

However, approved City & Guilds centres and learners studying for City & Guilds qualifications may photocopy this document free of charge and/or include a locked PDF version of it on centre intranets on the following conditions:

- centre staff may copy the material only for the purpose of teaching learners working towards a City & Guilds qualification, or for internal administration purposes
- learners may copy the material only for their own use when working towards a City & Guilds qualification

The *Standard Copying Conditions* on the City & Guilds website also apply.

Please note: National Occupational Standards are not © The City and Guilds of London Institute. Please check the conditions upon which they may be copied with the relevant Sector Skills Council.

## **Publications**

City & Guilds publications are available on the City & Guilds website or from our Publications Sales department at the address below or by telephoning +44 (0)20 7294 2850 or faxing +44 (0)20 7294 3387.

## Assignment B

### Introduction – Information for Candidates

#### About this document

This assignment comprises all of the assessment for Level 2 Data management software (DMS 7574-218).

---

#### Health and safety

You are responsible for maintaining the safety of others as well as your own. You are asked to work safely at all times.

You will **not** be allowed to continue with an assignment if you compromise any of the Health and Safety requirements.

#### Time allowance

The recommended time allowance for this assignment is **two hours**.

# Level 2 Data management software (DMS 7574-218)

## Candidate instructions

**Time allowance: Two hours**

### **The assignment:**

This assignment is made up of **five** tasks

- Task A - Creating a backup
- Task B - Adding new records
- Task C - Amending records
- Task D - Creating queries and reports
- Task E - Security measures

### **Scenario**

You have just been appointed to the post of Administrator for a small consultancy firm, Late Hour Partnership.

Your work as Administrator includes maintaining a small invoicing database system set up, by your predecessor, to track sales, check that bills are being paid etc,. This database has also started to be used as a Contacts and Marketing database.

Read all of the instructions carefully and complete the tasks in the order given.

### **Task A – Creating a backup**

- 1 Create a back up of the file **ITQL2dms**, provided by your assessor.

Save it to your removable storage media or network drive using the file name:

**ITQL2dmsbackup**

Continued over ...

## Task B – Adding new records

- 1 Open your database software.
- 2 Open the file **ITQL2dms**.

When asked for a user name and password:

user name is: **ITQL2dms**

password is: **ITQL2dms**

**Note:** both are case sensitive.

- 3 Add a new Organisation with the following details:

|                 |                  |
|-----------------|------------------|
| Organisation    | Cold Touch Media |
| NumberStreet    | 15               |
| District        | Oregon           |
| Town            | Lancaster        |
| County          | Hampshire        |
| Post Code       | HA3 9LM          |
| TelephoneNumber | 01628 500692     |

- 4 Check the accuracy of the entered data.
- 5 Save the record and close the form.

## Task C – Amending records

- 1 Using the **Organisation Lists** form, locate and edit **Blue Hearing plc**.

**Blue Hearing** have changed their telephone number, amend the telephone number to:  
01486 722354

Make the change and save the record.

- 2 A member of staff at Blue Hearing plc has changed their name following a marriage.

Use the **People** tab to locate and edit **Charlotte Ward**.

Charlotte's new Family name is **Crane**.

Amend the Family Name as required and the appropriate title.

Make the changes and close the Edit form.

- 3 Save the record, close the Organisation Properties List form and close the Organisation List form.

## Task D – Creating queries and reports

- 1 Using the Main Menu select Invoices List and click on the Edit Query button at the bottom of the form.

Enter criteria into the query to select all the invoices where the Gross Total is worth £2,500 or more.

Save the Query as **qryInvoicesList2500**.

**Do not** close this query.

- 2 Use this new query (**qryInvoicesList2500**) to create another query called **qryInvoicesList2500Sorted** which sorts the list in ascending order of Gross Value.

**Note:** It is **essential** that the **qryInvoicesList2500** query is **not** overwritten.

- 3 Using the Report Wizard create the report as follows:  
(**Note:** You may need to close any open forms or queries before you access the navigation panel, to complete this task)

- base the report on the query **qryInvoicesList2500**
- use all fields
- group on **Organisation**
- shows totals for the **Net, VAT and Gross** fields
- use landscape orientation
- title the report as High Value Invoices.

- 4 Modify the report by:
  - formatting the Transaction Date to display as Medium Date
  - formatting totals as currency
  - creating a label within the report footer with your name.
  - ensure all data can be seen.

- 5 Save and close the report, exit the Main Menu and close the database.

## Task E – Security measures

- 1 This application has been developed for a small office and does not contain any security measures. However, as it already contains some commercial information and could potentially contain even more, identify **two** security measures that you may want to consider.

Using your **Answers 218 B** document, provided by your assessor, record your **two** security measures.

- 2 Close all open applications.

When you have finished working:

- Sign each document above your name and label all removable storage media with your name.
- Hand all paperwork and removable storage media to your assessor.

If the assignment is taken over more than one period, all paperwork and removable media must be returned to the test supervisor at the end of each sitting.

## **End of assignment**
