City & Guilds

500/6587/7  City & Guilds Level 3 Certificate for IT users (iTQ)

OVERVIEW

What does this qualification cover?
The primary purpose of this qualification is to lead onto employment. This qualification enables a learner to gain a range of skills and knowledge in the use of ICT applications or use of ICT equipment that can lead to a variety of job roles that rely use digital technologies and services.

Areas that can be covered using this qualification include:

- Application skills and knowledge development, such as;
  - Word processing
  - Spreadsheets
  - Using email and the Internet
  - Website development
  - Using collaborative technology and mobile devices
  - Creating and editing audio or video files
  - Using drawing and planning software
  - Online project management
- Systems skills
  - Setup an IT system
  - Optimise IT system performance
  - Security for IT users

All learners will cover the mandatory unit Improving productivity using IT, which can be based around one or more of the optional units they undertake to give them the required skills and knowledge to make effective use of ICT in specific areas for the future.

This is a Framework qualification.
Who could take this qualification?
The City & Guilds Level 3 Certificate for IT Users (ITQ) has been developed for those with
experience using ICT and software applications, but require more than basic level for
common office applications or gain skills in order to handle issues that are no regular or
common activities.

If you are looking to gain a wider range of skills then it may be more appropriate for you to take the
Diploma sized qualification that allows you to select more units. The Certificate size would be appropriate
if you only need to learn a few applications and are not looking how to apply the skills and knowledge to
improve productivity for personal or work ICT related activities

While no previous experience or qualifications in ICT are required for entry, learners would
benefit from progressing from:

- 500/6805/2 City & Guilds Level 1 Award for IT Users - (ITQ)
- 500/6759/X City & Guilds Level 1 Certificate for IT Users (ITQ)
- 500/6903/2 City & Guilds Level 1 Diploma for IT Users (ITQ)
- 500/6706/0 City & Guilds Level 2 Award for IT Users - (ITQ)
- 500/6724/2 City & Guilds Level 2 Certificate for IT Users (ITQ)
- 500/6760/6 City & Guilds Level 2 Diploma for IT Users (ITQ)
- 500/6697/3 City & Level 3 Award for IT users (ITQ)

This qualification is suitable for a wide age range starting at 16.

What could this qualification lead to?
Will the qualification lead to employment?
With the growth of the use of digital technology, this qualification will enable to learners
make use of ICT within a number of job roles where use of digital technology is a required
knowledge and skill set. Roles will be across a variety of organisations and could include;

- Data entry clerk/supervisor
- Team lead – coaching staff in use of ICT
- IT Support desk – with specific applications knowledge
- Business administrator
- Managers/Directors – requiring depth in ICT skills, especially applications

Will the qualification support progression to further learning?
The City & Guilds Level 3 Certificate for IT users (ITQ) provides the underpinning
knowledge and skills that would allow a learner to extend their competency in further areas
at the same level using:

- 500/6688/2 Level 3 Diploma for IT Users (ITQ)
