

**9210 – 9107 Unit Exemptions**  
**For 9210-02 Post Graduate Diploma in Engineering**

The unit exemption for candidates with full/ partial 9107 qualification(s) will be given according to the following table:

	9210 Unit to be exempted		9107 Unit to have completed	
	Unit Number	Unit Title	Unit Number	Unit Title
1.	138	Quality and reliability engineering	220	Quality and reliability engineering
2.	200	Engineering analysis	300	Advanced engineering analysis
3.	203	Computational mechanics using finite element method	302	Computational mechanics using finite element method
4.	204	Geotechnical engineering	213	Geotechnical engineering
5.	205	Built environment 1	207	The internal environmental design of buildings
6.	206	Structural design	211	The design of engineering structures
7.	208	Built environment 2	207	The internal environmental design of buildings
8.	220	Computational mechanics Using FEM	302	Computational mechanics using finite element method
9.	221	Heat and mass transfer	202	The analysis of heat and mass transfer
10.	225	Advanced manufacturing technology	304	The technology of advanced manufacturing processes
11.	226	Design and operation of marine vehicles	212	Design and operation of marine vehicles
