Dear Andrew,

BID Group Ltd, as an employer in the engineering industry specialising in the manufacture, installation, repair and servicing of all types of industrial doors, feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship:

- City & Guilds Level 2 Technical Certificate in Engineering

BID Group Ltd supports the following pathways of the qualification:

- City & Guilds Level 2 Technical Certificate in Engineering (Maintenance)
- City & Guilds Level 2 Technical Certificate in Engineering (Fabrication and Welding)
- City & Guilds Level 2 Technical Certificate in Engineering (Electronics)

We confirm that we consent to our organisation's name and logo being made publicly available on the DfE and City & Guilds websites. The logo will be provided under separate cover on receipt of the preferred file type.

Yours sincerely,

Mike Calderbank
