Dear Andrew

EDF Energy, as an employer in the engineering industry, feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship.

EDF Energy supports the following qualifications for inclusion in the DfE performance tables in the Tech Level category.

- City & Guilds Level 3 Advanced Technical Certificate in Engineering - (601/4535/3)

- City & Guilds Level 3 Advanced Technical Extended Diploma in Engineering (720) -(601/4506/7)

We confirm that we consent to our organisation's name and logo being made publicly available on the DfE and City & Guilds websites. The logo will be provided under separate cover on receipt of the preferred file type.

Yours sincerely
