

Andrew Hewison, Portfolio Manager
City & Guilds,
1 Giltspur Street,
London
EC1A 9DD

14th August 2014

Dear Andrew,

We believe the qualifications listed below are suitable for young people between the ages of 16-19 studying full time and will give them an advantage when applying for a job or progressing onto an apprenticeship, or onto further learning.

We feel the qualifications focus on the Advanced Manufacturing and Engineering sector, which includes the Aerospace sector, and relevant supply chains.

- 600/1928/1 – Level 2 Diploma in Aircraft Maintenance (Civil Aircraft)(QCF)
- 600/3409/9 – Level 2 Diploma in Aircraft Engineering (QCF)
- 600/0880/5 – Level 2 Certificate in Engineering (QCF)
- 600/0881/7 – Level 2 Diploma in Engineering (QCF)
- 600/1929/3 – Level 3 Diploma in Aircraft Maintenance (Civil Aircraft Mechanical) (QCF)
- 600/1970/0 – Level 3 Diploma in Aircraft Maintenance (Civil Aircraft Electrical and Avionics) (QCF)
- 600/1927/x – Level 3 Diploma in On-Air Maintenance – Category A (QCF)
-

We support their inclusion in DfE Performance tables as either substantial level 2 qualifications or level 3 technical level qualifications.

We consent to our name and logo being publically available on City & Guilds website.

British Business and General Aviation Association

Patron: HRH Prince Michael of Kent GCVO

BBGA is the British Business and General Aviation Association Ltd. The Association is the Trade Body representing companies operating and trading in the Business and General Aviation industry, including manufacturers, operators, maintenance organisations, repair & overhaul organisations, training organisations, aircraft & helicopter sales organisations, spares stockists and other supporting organisations including finance, insurance and publications companies. BBGA is unique in terms of the breadth of its membership and when you include its European arm with ECOGAS we cover a wide body of interests.
