## City & Guilds Access Bursary Programme

City & Guilds offer a small number of bursaries each year to learners who would like the opportunity to study for a City & Guilds qualification. **This year we are particularly interested in funding applicants undertaking City & Guilds 2850 Engineering courses.**

Applicants must be unable to financially support themselves through study and be hoping to improve their financial situation through doing so.

Applicants can apply for a bursary for help with costs that may make it difficult for them to enrol on and complete a City & Guilds course. For example this may include:

- Course/Exam fees,
- Childcare/Travel expenses,
- Cost for Uniforms/Tools.

For further information, or to apply applicants can go online go to:

[WWW.CITYANDGUILDS.COM/BURSARIES](http://WWW.CITYANDGUILDS.COM/BURSARIES)

The closing date for this round of bursaries is 5pm on Monday 30 September 2013.

## Assignment Revisions

The following assignments have been updated to show grading of pass/credit/distinction/fail:

- 2850-203
- 2850-213
- 2850-214
- 2850-216
- 2850-306
- 2850-307
- 2850-310

## 2850 Version B short-answer question papers / E-volve multiple choice bank review

The City & Guilds engineering assessment team are seeking representatives from centres delivering the 2850 levels 1, 2 or 3 in Engineering to write and/or attend editing meetings for the version B short-answer question tasks that make

up the existing 2850 assignments. The engineering team are also seeking representatives to assist in reviewing the existing e-volve banks. Representative's time would be required to either write and/or attend editing meetings held at the City & Guilds London office with training provided.

The following units will be prioritised of those requiring version B short-answer questions with others taking place in the near future.

## **Version B short answer question papers**

### **Level 1**

- 102 Carrying out basic fitting techniques
- 104 Carrying out basic turning techniques
- 106 Carrying out electronics assembly
- 107 Carrying out Electrical Assembly
- 110 Carrying out MIG Welding processes

### **Level 2**

- 205 Machine Components Using Turning Techniques
- 206 Using Bench Fitting Techniques
- 210 Maintaining Mechanical Devices and Equipment
- 213 Welding by Manual Metal Arc Process
- 214 Welding by MIG process
- 215 Welding by TIG process
- 217 Fabricating Sheet Metalwork
- 218 Fabricating Thick Plate, Bar and Sections
- 222 Maintaining electrical equipment and systems
- 223 Wiring and testing electrical circuits

## **E-volve multiple choice bank review**

### **Level 1**

- 101 Working in engineering

### **Level 2**

- 201 Working in engineering
- 202 Principles of engineering technology

### **Level 3**

- 301 Engineering health and safety
- 302 Engineering principles

If you are interested in participating please email [amanda.woodhams@cityandguilds.com](mailto:amanda.woodhams@cityandguilds.com) by Monday 09 September 2013 with your CV and details of the units you are interested in working on.
