Dear Andrew

Hartlepool College support the qualifications listed below and confirm they will provide sectors including engineering, construction, energy and automotive with skilled welders, fabricators, thermal cutting and brazing operatives.

- 601/4170/0 - Level 1 Certificate in Introductory Welding Skills (QCF)
- 601/4167/0 - Level 1 Award in Introductory Metal Fabrication (QCF)
- 601/4169/4 - Level 1 Award in Introductory Thermal Cutting Techniques (QCF)
- 601/4166/9 - Level 1 Award in Introductory Brazing and Soldering (QCF)
- 601/4168/2 - Level 1 Certificate in Introductory Welding, Fabrication and Cutting Skills (QCF)
- 601/4174/8 - Level 2 Certificate in Welding, Fabrication and Cutting Skills (QCF)

They will also enable learners to progress onto an intermediate and/or advanced apprenticeship in engineering or welding & fabrication, or onto further learning through the following qualifications:

- 600/0880/5 Level 2 Certificate in Engineering (QCF)
- 600/0881/7 Level 2 Diploma in Engineering (QCF)
- 600/0882/9 Level 3 Diploma in Engineering (QCF)

We support the purpose of B (Prepare for Further Learning or Training) for these qualifications and funding for Adults (19+).

If you require any further information please do not hesitate to contact me.

Yours sincerely

V. Howe
