Dear Andrew,

The College of North West London's mission is to lead in the provision of knowledge and skills for work, in support of London's economic success.

The qualifications listed below provide learners with essential welding skills and knowledge enabling them to progress into a career as a welder, onto an intermediate apprenticeship in welding or onto further learning.

- 600/3749/0 Level 1 Award in Introductory Metal Inert Gas (MIG) Welding (QCF)
- 600/3748/9 Level 1 Award in Introductory Manual Metal Arc (MMA) Welding (QCF)
- 600/3753/2 Level 1 Award in Introductory Oxy-Acetylene Welding (QCF)
- 600/3754/4 Level 1 Award in Introductory Tungsten Inert Gas (TIG) Welding (QCF)

We support the purpose of B (Prepare for Further Learning or Training) for these qualifications and the continued funding for Adults (19+).

These qualifications have proved to be an important part of our curriculum offer and are very successful at giving learners skills and knowledge which enable vocational education progression and enhance employability.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Tim Bury'.
