UK PRN: 10002638

Dear Andrew,

Gateshead College support the qualifications listed below for the engineering sector. They provide learners with essential welding skills and knowledge enabling them to progress onto further learning or an apprenticeship.

- 600/3749/0 Level 1 Award in Introductory Metal Inert Gas (MIG) Welding (QCF)
- 600/3748/9 Level 1 Award in Introductory Manual Metal Arc (MMA) Welding (QCF)
- 600/3753/2 Level 1 Award in Introductory Oxy-Acetylene Welding (QCF)
- 600/3754/4 Level 1 Award in Introductory Tungsten Inert Gas (TIG) Welding (QCF)

We support the purpose of B (Prepare for Further Learning or Training) for the qualifications and the continued funding for Adults (19+).

They have proved to be an important part of our curriculum offer in welding and are very successful at giving learners skills and knowledge which enable vocational education progression and enhance employability.

Yours sincerely,

Martin Barton
Curriculum Leader Fabrication & Welding
