

## Declared Purpose:

*The following purpose is for the Level 3 Diploma in Barbering 3002-67 (QAN no: 500/9100/1. This is a Technical Level qualification.*

**This level 3 Diploma in Barbering aims to provide you with the practical skills and knowledge to allow you to seek employment or further training within the Barbering industry**

---

Who is this qualification for?

It is for learners who work or want to work as a Senior Barber in the Hairdressing/Barbering Industry.

Learners are likely to hold a Level 2 Diploma Hairdressing or Barbering qualification and/or previous practical experience within the Hairdressing or Barbering Industry.

---

What does the qualification cover?

The qualification covers a range of Barbering techniques and skills, such as:

- advanced cutting, cutting facial hair
- creative design skills
- creative colour
- colour correction
- perming
- hair extensions
- scalp massage.

To become a Barber you need to be creative, have excellent communication skills and enjoy working as part of a team.

For all units you will study both practical aspects (how to carry out each service) and the knowledge which underpins the skills.

---

What opportunities are there for employment or progression after I have finished studying this qualification?

This will give you the skills you need to work within the barbering industry, and the skills that you may use in other related job roles, such as customer service, sales and marketing. There are also opportunities for further learning such as apprenticeships.

### **Employment:**

- barber with a commercial high street barber shop or salon
- barber running their own business
- barber working for a product manufacturer

**Further learning:**

- Advanced Apprenticeship in Barbering
- City & Guilds Level 4 Diploma in Management Practices & Advanced Techniques in the Hair & Beauty Sector.

**University**

You study subjects such as Salon Management or a more generic pathway such as Business Management degree at university.
