

Level 2 Award in Contact Dermatitis Prevention Centres' information

Level 2 Award in Contact Dermatitis Prevention

Centres' information

The aim of the qualification is to increase the learner's awareness of work related Contact Dermatitis. Those working in industries such as: Cleaning, Hairdressing, Catering and Beauty Therapy are more likely to develop Contact Dermatitis than in any other occupation. Contact Dermatitis is an occupational risk and can affect home life, social life and future career opportunities as well as being painful and debilitating.

The Level 2 Award in Contact Dermatitis Prevention (6911-02) will allow the learner to identify the characteristics and causes of Contact Dermatitis and explain how to prevent Contact Dermatitis occurring.

What are the recommended guided learning hours for this qualification?

It is recommended that 9 guided learning hours should be allocated for this unit. This may be on a full time or part time basis.

Assessment and Grading

This qualification will be assessed by an externally set, internally marked multiple choice test covering the underpinning knowledge.

Does the qualification form part of a recognised framework?

The qualification is accredited by the Qualifications and Curriculum Authority and is therefore eligible for funding.
