City & Guilds Level 3 Diploma in Adult Care (England) (610/0789/4)

Area	Description
OVERVIEW	
<p>What does this qualification cover?</p>	<p>The Level 3 Diploma in Adult Care (England) is a competence-based qualification, which means that it covers the knowledge and skill that are required to work in a particular job role in adult care. These could include domiciliary/home care worker, senior care assistant or senior support worker. This means that you must be working in a role where you have some level of responsibility for or supervision of others or for leading on aspects of work within your work setting.</p> <p>This qualification consists of mandatory units covering the required core knowledge and skills and a selection of optional specialisms which can be combined in flexible ways to reflect the real working context of different learners.</p> <p>The content of the mandatory units covers person-centered approaches; communication; personal development; diversity, equality, inclusion and human rights; choice and independence; handling information; duty of care; responsibilities of the role; ways of working; safeguarding; health and safety; infection prevention and control; personal wellbeing and wellbeing of individuals. It also includes knowledge of mental capacity and restrictive practice.</p> <p>The assessment of the qualification mostly takes place in your real work environment whilst you carry out the day-to-day activities of your job. This means that you can prove that you are working to a nationally recognised level at the same time as doing your job.</p> <p>You will be observed at work by an assessor who is competent in working in adult care. Your assessor may also use other assessment methods, such as professional discussion to assess your knowledge and confirm your skills. Occasionally you may be asked to provide a reflective account, complete a project, assignment or to answer questions, which can be assessed outside of your workplace.</p>
WHAT COULD THIS QUALIFICATION LEAD TO?	
<p>Why choose this qualification over similar qualifications?</p>	<p>This qualification is ideal for you if you are working in an adult care setting and wish to develop your skills and knowledge to a level which demonstrates that you are competent. Delivery of the qualification can be flexible to meet your needs and assessment usually takes place in your place of work. The qualification has</p>
