

Dated 01/09/15

Dear Roberta

We are an employer operating in Health and Care, currently employing just over 2000 people.

We would like to offer support for the following City & Guilds qualifications as we feel it is ideal for young people between the ages of 16-19.:

- **Level 3 Advanced Technical Extended Diploma in Health and Care (1080)**

We were involved in the design and development of this qualification.

We feel that the qualification has been developed with the needs of the sector in mind and a broad range of essential knowledge and skills for our industry have been included:

- Understanding the needs of patients in Health and Care settings in today's society
- Complex needs
- Deeper understanding of science in health and care
- New technologies
- How to work in innovative ways whilst delivering excellent care

We/I believe that these skills and knowledge would give a young person an advantage when seeking employment in Health and Care, for jobs roles such as

- Those wanting to go on to professional registration courses
- HCA
- Senior Rehab Worker
- Key Workers
- Health Trainers
- Nursing Student

This is the type of qualification or skills and knowledge we will be looking for when recruiting for such a position.

We consent to our name and logo being publically available on the City & Guilds website

Head of Education and Development
