### **OVERVIEW**

- What does this qualification cover?

This qualification covers a range of knowledge and skills essential to anyone working in adult social care.

Areas covered are:

- Principles of communication in adult social care setting
- Principles of personal development in adult social care settings
- Principles of diversity, equality and inclusion in adult social care settings
- Principles of safeguarding and protection in health and social care
- Introduction to duty of care in health, social care or children's and young people's settings
- Understand the role of the social care worker
- Understand person centred approaches in adult social care settings
- Understand health and safety in social care settings
- Understand how to handle information in social care settings

All learners will cover the mandatory 9 units, acquiring specific knowledge and skills, appropriate to different settings in adult social care.

This is a Framework qualification

- Who is this qualification designed for?

This qualification is specifically designed for learners who are considering working in or who have just entered the social care industry.

This qualification is for learners aged 14 years or older.
